St. James First Reconciliation Policy

Children in second grade, or older, receive First Reconciliation in the Fall. It is very important that they be carefully prepared to insure their readiness. Our program recognizes parents as the primary teachers of their children, and to assist them, parents will be provided with resources and support to assist in the process. The at-home efforts of the parents are supplemented with at-church events that include retreats, church tours, review and practices. With these combined efforts, the children in our program are well-prepared to receive the Sacraments.
