Mission Statement

We, the community of St. James, are a prayerful and Eucharistic people who treasure our Catholic traditions. We strive to grow in our faith by being good stewards of the gifts God has given us; sharing God's truth with all. As the Body of Christ, we are called to love and serve everyone, especially the marginalized, with joy and hospitality.

Faith Formation Opportunity for St. James Parishioners

I am very pleased to tell you that our parish now has a subscription to FORMED, a premier online platform filled with over 4,000 Catholic studies, movies, audio dramas, talks, e-books, and even cartoons for our children.

FORMED has content that is professionally produced, engaging and solid in its catechism. Best of all, this material is free to you.

We will be using material on FORMED to support our ministries and provide continuing education for parishioners, as well as outreach for our sick and homebound members. Much of FORMED's content is available in both English and Spanish.

You have easy access to all of the material on FORMED to support your own faith journey and that of your family members.

More information about FORMED is on the cover of this bulletin.

Members of our staff will be available after all Masses this weekend in the Parish Hall to answer your questions and assist you in signing up on FORMED.

From the Pastor's Pen

As we move through the month of July, we realize the summer is flying by. For many families this time of year has been an opportunity to gather with family and friends for the first time in many months. I hope this has been such an opportunity for you. Hopefully all can stay healthy so that we can begin the school year, free of the restrictions of the pandemic, and get back to some 'normalcy'.

Next weekend, we were supposed to have our annual Missionary Appeal, but the missionary assigned to our parish community was unable to get a proper visa to enter the country, so that Religious Order will not be here to preach on their behalf of serving the poor in Africa. But we will still be able to support this religious community. Details will be in the bulletin the next couple weeks. Thanks for your generosity.

We ask your prayers for our teens heading to Springfield, MO, for the annual Steubenville Youth Conference. Let's pray for these young people and their chaperones, that they will be guided by the Holy Spirit to come back and enrich our parish community.

Don't forget to sign up for the Pictorial Directory. Since we have rebounded from the pandemic, returning to Communion and gathering once again as a parish family, this is a great opportunity to have a new Directory that will feature pictures of individuals, families, groups, parish activities and updated information. Make your appointment now!!

This weekend we are introducing FORMED, a great opportunity for the whole parish community to grow in the ways of our faith. This online service is easy to use and will guide us in knowledge and formation in the beauty of our faith tradition. More information is on the cover and page 2 of this Bulletin

You won't want to miss another great Knights of Columbus curbside meal – the Pork Tenderloin Curbside Meal this Friday from 5pm - 7pm. Benefits will go to our *Helping Hands Ministry*. This ministry helps make our church more 'handicapped accessible', and makes entering our church easier for everyone, with a possible railing on our sidewalk leading into church.

Stay cool and Blessings to all this summertime!

Peace,

Fr. Mike

Someone is Watching and Wondering

Over the past year many things have changed in our lives and now we both embrace and struggle the "return to normal." I am not sure what that term means but I do know that some changes that occurred in 2020 were a reflection of human goodness and compassion and I do not

want to lose that. I also know my faith and trust in God's love provided the strength I needed to faced new challenges and fears.

As many know my primary ministry at St. James is serving as the director of a faith journey with the acronym RCIA. This journey is rooted in the beginnings of our church and sharing the good news of Christ Jesus. One begins this journey by first recognizing their call from God to personal conversion, to develop a new relationship with Jesus, and to actively and willing accept the ministry of all the baptized (i.e. to live a life of forgiveness and service). I wish to emphasize that the primary goal of this journey is not educational but rather to develop and strengthen one's relationship with Christ Jesus and to follow His teaching. While the journey is very personal, the journey cannot reach fulfillment outside of community. As we come to understand the personal dimension of our relationship with God, we also learn to follow Him through loving relationships with one another within the context of the entirety of creation. In other words I cannot love God without loving and caring for others and His endless, evolving gift of creation. We do not live in isolation, rather in relation. A basic test for understanding this concept is to develop a list this week of all the people on whom you depend for the necessities of life.

Our journey with Jesus is much more than X-number of classes to teach the basics of Catholicism. RCIA is a life-long journey of the heart, a journey of surrender to our loving Father. While there is much to learn and understand about what it means to follow the teachings of Jesus, (to develop a life of prayer, to participate in liturgy, and to receive the seven Sacraments of the Church) I believe that is the easy part of the journey. The challenge is to live according to the "Sacramental Principle;" letting go of our egos, prejudices, preformed opinions, ideas, and habits, and asking God to help us, embrace with our minds and understand with our hearts that God is present always and everywhere, that the whole of creation is a gift of love. Only then can we recognize the sacredness of all life, freeing us **to let go and let God**. Only then are we truly free to live in His embrace and surrender to His unceasing love.

Your sister in Christ, *Sandy Gagnon*

LOVE INC

Help Us Distribute 500 Back-to-School Hygiene Kits for Kids in Need

Would you like to do school supplies with a twist? Join Love INC and help supply kids with kits that meet some of the needs that are not being talking about.

Many children go back to school without even the basic items needed to manage proper hygiene. You can help Love INC assist these kids by providing the things they need to look good, feel good, and be ready for school. Each kit we build gets placed inside a colorful nylon bag that not only makes distribution a breeze, but can also be used by the kids as a permanent storage or gym bag. Our goal this year is to help 500 kids.

There are six hygiene items in each kit (deodorant, tooth paste, tooth brush, soap, shampoo / conditioner, brush or comb), and we can get them for \$1 per item or less, or \$5 per kit.

And you can help. Decide how many kits you want to provide. \$25 will buy 5 kits, \$50 will buy 10 kits, etc.. Then send your donations to Love INC at 2050 Plumbers Way, Suite 160, Liberty, MO 64068. Be sure and mark you gift "Kits for Kids."

The hygiene items will be placed in colorful, draw-string back packs and distributed in Liberty and Kearney right before the start of school in mid August.

This is a great project for a youth group, a family, or just a bunch of friends. If you have any questions email me at drathbun@loveincoclaycounty.org or call me at 816-994-6926.

Thank you in advance for your help!

Tell Congress: Preserve and Protect The Hyde Amendment

Save a life.

The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years.

Now, powerful members of Congress want to take

away these laws that both Democrats and Republicans have supported for nearly half a century.

The Hyde amendment has been signed into law every year since 1976, whether the Congress and the White House were led by Republicans or Democrats. It has saved nearly 2.5 million babies and mothers in difficult circumstances from the tragedy of abortion.

An overwhelming majority of Americans, including low-income women and women of color who are most impacted by it, support the Hyde Amendment and laws that prevent government-funded abortion.

WHAT HAPPENS WITHOUT THESE PROTECTIONS?

Billions of taxpayer dollars could be used to pay for abortion.

Taxpayer dollars should NOT pay for abortion and the majority of Americans agree with this - both Democrats and Republicans.

We urge you to ensure that the Hyde Amendment and all similar life-saving appropriations riders remain in place during the 117th Congress and beyond.

Do not force Americans to subsidize the taking of innocent life. Oppose any bill, including any appropriations bill, that expands taxpayer funding of abortion.

It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. You can sign the petition at
