From the Pastor's Pen

As we begin the month of March, and the season of Lent, we pray that the gift of Spring is not far away. The word 'Lent' means Spring, and we are called to open our hearts and lives to the Love of God, and pray that we might live that out each and every day.

We have several opportunities this Lenten season to spend time in prayer – whether it's daily Mass that is offered at 8:15am each weekday morning, or Adoration of the Blessed Sacrament offered from 8:45am - 9:00pm each Thursday in our Chapel, or the Stations of the Cross, on Friday evenings at 5:30pm in the Church beginning March 11 through the Lenten season.

May we use this season to reflect on Gods' goodness in our lives and how we reflect that each and every day.

The Knights of Columbus are once again offering their great Fish Fry Dinners on three Fridays through Lent – March 11, March 25 and April 8. They will offer 'curbside' as well as bringing back the ever-popular 'dining in' experience.

We have many examples of stewardship – people sharing their time, talent and treasure in so many ways. During the ice/snow storms this winter, we've had a faithful crew of parishioners who have shoveled to make our walks and parking lots more accessible.

A couple weeks ago, the Altar Society, as well as some 'husbands' of Altar Society women cleaned all the pews (See pictures on page 8). This is the first time this has been done since our church was dedicated. And we hope to do this every quarter to keep our pews shining and protecting the beautiful wood. A group of RE Middle school students have cleaned the kneelers.

Our church takes quite a 'beating' with all the folks coming and going, so to maintain the beauty and quality of our church, it takes lots of folks offering their help in so many ways. For this, we are very grateful.

Also, in this month of March, we want to thank Don Ollier for his tremendous service to feeding the poor and hungry at St. Mary's' kitchen and coordinating the volunteers for over 32 years. Don, we are so grateful for your tremendous service. Don is 'stepping' away from that role (but is mentoring and training new folks). We have had a great turnout of folks offering their gifts, so this good work can continue. For this, we are most grateful.

We also want to recognize our catechumens and candidates, who will be welcomed formally into our community this Lenten season, through the various rites that we will be celebrating that prepares them for the sacraments of Baptism, Confirmation and Eucharist. Let's keep these folks and their sponsors and families in our prayers as they journey toward Easter.

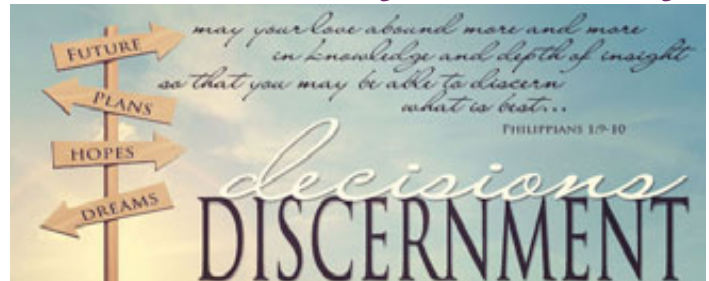

Next weekend, Fr. Nathan Reub, the chaplain at St. Pius X High School, will be at all our Masses, introducing himself and inviting young people and families to consider the gift of Catholic secondary education at St. Pius X. Let's welcome Fr. Nathan next weekend.

Blessings to you and your families this Lenten season.

Peace,

Fr. Mike

Someone is Watching and Wondering

An integral part of the journey toward receiving the Initiation Sacraments, especially during Lent, is *Spiritual Discernment*; I might suggest to you that *Spiritual Discernment* should be an on-going, life long process for every Christian. If this is true what is *Spiritual Discernment*, and how does one proceed?

A simple definition for discernment is the ability to judge well, therefore, synonyms include discrimination, refinement, insight, and acumen. As such discernment is applied to many situations, especially those requiring a decision. *Spiritual Discernment*, however, has an added dimension, trust and surrender to God. *Spiritual Discernment* first requires knowledge, a correct understanding of the world and of God. Scripture, prayer, conversation with others, awareness, openness, and faith are the basis for spiritual knowledge. Secondly, wisdom is applying our evolving knowledge. In other words *Spiritual Discernment* becomes our guide for answering "Where, when, or how is conversion occurring in my life; where is Christ present and alive through my thoughts, words, and actions; how am I a living example of my faith?" These questions are the heart of *Spiritual Discernment*.

The journey of Christian initiation requires each individual to discern the way(s) they open their hearts to God, not merely a knowledge of God and our Judeo/Christian stories, but also an awareness of God's presence in his/her life. In honesty, part of such discernment also requires an honest awareness of times when we put our ego, wants, and desires, first and turn away from Jesus' command to love and serve without expectations of any form of "pay-back." I know I have been called to look deeply into myself and bring my darkness to light. I have struggled with letting go of pain, of letting go of hurts, both real and perceived, which were inflicted by others, and of freely offering forgiveness, even to myself. Sometimes, it seems as though I expect God to work miracles in my life, without any effort or willingness to change on my part. I pray "Lord forgive my trespasses as I forgive the trespasses of others," but are my actions consistent with these words?" *Spiritual Discernment* can be painful, at times, as I am forced to see myself as I am, with the knowledge that only with God's mercy and grace can I hope to change. I believe as I fall deeper and deeper in love with God, my desire to accept and live as a beholder of God's love, will continue to lead my *Spiritual Discernment* towards greater empathy and wisdom.

Your Sister in Christ Jesus, *Sandy Gagnon*

Thank You Don Ollier For Your 32 Years of Service At St. Mary's Food Kitchen

Every 4th Sunday of the month for well over 32 years our parish has provided, prepared and served meals to the hungry at St. Mary's Food Kitchen in Kansas City KS. Over the years many parishioners have "stepped up to the plate", taking care of the many tasks required to serve the thousands of meals.

But, for the past 32 years, there has been one constant at this food kitchen, and that is the man whose dedication to this ministry is legendary. That man is Don Ollier.

When he and his family came to Liberty in 1987 from Cincinnati OH and joined our parish, Don wanted to be of service to his new church. Thus, on a Sunday morning he showed up at St. Mary's Food Kitchen. At that time parishioner Jo Krones, now deceased, was in charge of this ministry.

The kitchen, begun in 1982, was then in the basement of the old St. Mary's church and Don's task was to help serve the food. He said those first years were challenging as the food served was provided by the volunteers and from month to month the menu was whatever they brought.

So, every 4th Sunday, regardless of the weather, he was there ready to help in whatever capacity was needed. In 1987, the kitchen moved to its present location in the Wilhemina Gill Multi-Service Center and the menus, food preparation, and serving became more organized.

When Jo Krones passed away in 2006, Don was a natural to lead the ministry - after all, with 19 years of 4th Sundays experience, he knew exactly what needed to be done and when.

Since that time, he has literally become been a "one man show" behind the scenes for this ministry. He plans the menu, orders supplies from the commodity agency, purchases additional food products to augment the menu, cooks the meal on Saturday, transports it to the food kitchen on Sunday, organizes the volunteers who are setting up and serving and stays until it's time to lock up for another month.

If you say the name Don Ollier, many parishioners would say, "I don't know who that is!" But when they see his picture, they say - "Oh, I know - he is the man that we see in the Gathering Space once a month collecting money for St. Mary's Food Kitchen.

Towards the end of last year, Don decided that after 32 years it was time to "scale back" and announced his intent to step down as of December 31, 2021. A plan has been put into place that will allow this ministry to continue serving meals on the 4th Sunday of the month as has been done for over 32 years. However, Don plans to continue his involvement, on a much smaller scale, helping train and mentor new volunteers, and gathering supplies as needed.

One of seven children, Don and his twin brother will celebrate their 84th birthday in August. He met his wife JoAnn at a Friday night dance, told her after a couple of dates that he was going to marry her and they will celebrate their 57th anniversary in May. They have five children (4 boys and 1 girl). They lived in the Cincinnati area until Don was transferred by his employer, General Electric, to the Kansas City area. He likes to quip "I brightened up the world by working on light bulbs".

Don's twin brother, Ron, lives in Durango CO and they get together at least once a year to celebrate their birthday. As you can see from these pictures they have fun enjoying each other's company.

Don's service to St. James extends far beyond the food kitchen. He picks up day-old bread from Hy Vee and re-cycles cardboard from the school for the InAsMuch Ministry. On Sunday he sets up the coffee and donuts served after the morning Masses. He buys all the supplies needed to keep the church and social hall kitchens stocked with plates, cups, tableware, and condiments and re-cycles aluminum from the re-cycle bins, donating the proceeds to support Fr. Timothy Coday's, C.P.P.S. ministry in Tanzania. He also serves as a Eucharistic minister and Sacristan.

This scripture reflects Don's commitment to service. *"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."* (1 Peter 4:10)

III Pillars of Lent

Prayer

The three traditional pillars of Lenten observance are prayer, fasting and almsgiving. The key to renewed appropriation of these practices is to see their link to baptismal renewal.

Prayer: More time given to prayer during Lent should draw us closer to the Lord. We might pray especially for the grace to live out our baptismal promises more fully. We might pray for the elect who will be baptized at Easter and support their conversion journey by our prayer. We might pray for all those who will celebrate the sacrament of reconciliation with us during Lent that they will be truly renewed in their baptismal commitment.

Fasting: Fasting is one of the most ancient practices linked to Lent. In fact, the paschal fast predates Lent as we know it. The early Church fasted intensely for two days before the celebration of the Easter Vigil. This fast was later extended and became a 40-day period of fasting leading up to Easter. Vatican II called us to renew the observance of the ancient paschal fast: "...let the paschal fast be kept sacred. Let it be celebrated everywhere on Good Friday and, where possible, prolonged throughout Holy Saturday, so that the joys of the Sunday of the Resurrection may be attained with uplifted and clear mind." (Liturgy, # 110).

Fasting

Fasting is more than a means of developing self-control. It is often an aid to prayer, as the pangs of hunger remind us of our hunger for God. Fasting should be linked to our concern for those who are forced to fast by their poverty, those who suffer from the injustices of our economic and political structures, those who are in need for any reason. Fasting can help us realize the suffering that so many people in our world experience every day, and it should lead us to greater efforts to alleviate that suffering.

Abstaining from meat traditionally also linked us to the poor, who could seldom afford meat for their meals. It can do the same today if we remember the purpose of abstinence and embrace it as a spiritual link to those whose diets are sparse and simple. That should be the goal we set for ourselves – a sparse and simple meal. Avoiding meat while eating lobster misses the whole point!

Almsgiving: It should be obvious at this point that almsgiving, the third traditional pillar, is linked to our baptismal commitment in the same way. It is a sign of our care for those in need and an expression of our gratitude for all that God has given to us. Works of charity and the promotion of justice are integral elements of the Christian way of life we began when we were baptized.

Almsgiving

Why Attend The Stations of the Cross?

Could you walk a mile in Jesus' shoes? The Stations of the Cross (also known as the Way of the Cross) bring us closer to Christ as we meditate on the great love He showed for us in His most sorrowful Passion!

The Stations of the Cross provide us with great material for prayer and meditation. Tracing Jesus' journey from condemnation to crucifixion increases both our sorrow for our sins and our desire for His help in avoiding temptations and in bearing our own crosses. Meditating on Christ's passion can help us become more like

Him in imitating His virtues of obedience, humility, charity, patience and perseverance.

Pilgrims to the Holy Land commemorated Christ's Passion in a similar manner as early as the 4th century A.D. The Stations of the Cross developed as a devotion in earnest, however, around the 13th to 14th centuries.

It became a way of allowing those who could not make the long, expensive and arduous journey to Jerusalem to make a pilgrimage in prayer, at least, in their own church! Although the original number of stations varied greatly, they became fixed at 14 in the 18th century.
