## Mission Statement

We, the community of St. James, are a prayerful and Eucharistic people who treasure our Catholic traditions. We strive to grow in our faith by being good stewards of the gifts God has given us; sharing God's truth with all. As the Body of Christ, we are called to love and serve every one, especially the marginalized, with joy and hospitality.

## BLOOD DRIVE TUESDAY, MAY 17

Did you know that in the Liberty/Greater Kansas City area, 1 in 3 people will need blood at some point in their life, and 1 in 7 hospital admissions re-

**Give Blood**

quires a blood transfusion? This means almost 600 donations are needed daily to keep up with hospital demand.

Did you know blood has a shelf life? Red blood cells have to be used within 42 days, and platelets within 5 days.

Donations have declined in recent years leaving many patients vulnerable to blood supply issues. With a congregation as big as we are blessed with at St. James, we have the resources to help with those shortages and make a huge impact in the lives of those in need.

**Please take an hour and join us  
for the next Community Blood Center  
Blood Drive:**

**Tuesday, May 17  
from 12:30-6:30pm  
in the Social Hall**

Appointments are encouraged, but walk-ins will be welcome if capacity allows.

Sign up at [www.savealifenow.org/group](http://www.savealifenow.org/group) and use Group Code: ES  
or contact Nikki at 816-407-1208  
or [kpower@kc.rr.com](mailto:kpower@kc.rr.com)

If you have questions about medical eligibility, call 800-688-0900.

Please note this blood drive is a little earlier in the month than usual so schedule your appointment soon so you don't miss out.

The Diocese of Kansas City-St. Joseph is committed to combatting sexual abuse in the Church. If you are a victim of sexual abuse, or if you observe or suspect sexual abuse:

2. Contact your local law enforcement agency or call 911, and
3. After reporting to these civil and law enforcement authorities, report suspected sexual abuse of a minor or vulnerable adult to the Diocesan Ombudsman, Joe Crayon, at 816.812.2500 or [crayon@ombudsmankcsj.org](mailto:crayon@ombudsmankcsj.org), if the abuse involves a priest, deacon, employee or volunteer of the Diocese of Kansas City-St. Joseph.

The Diocese has a sincere commitment to providing care and healing resources to victims of sexual abuse and their families. Please contact Whitney True-Francis, Victim Assistance Coordinator, at 816.392.0011 or [true.francis@diocesekcsj.org](mailto:true.francis@diocesekcsj.org) for more information.

## From the Pastor's Pen

As we journey through May, we honor our young people graduating this time of year. We pray that they will trust in the guidance of the Holy Spirit and know that our community of St. James is there for them. We offer our thoughts and prayers for the graduates and their families. We are so very proud of their hard work and perseverance through the years (and parents, too)!

The end of the school year will be here soon and I am grateful for all involved in education. We know it's been an extremely tough time over the past couple years and we are grateful for your commitment and dedication to our young people.

I invite you to consider St. James School as an option for your children's education next school year. We have openings and would love to educate your children in a wonderful Catholic educational environment. For more details, please contact the school. If finances are an obstacle, know we are willing to work with any family who is willing to tithe, and opportunities are always available for scholarships. Come and take advantage of a Catholic education here at St James for the next school year!

We are enrolling for our Religious Education and Confirmation opportunities beginning next Fall. With the pandemic behind us, we have an exciting RE program lined up with different opportunities for parents and children. We'd love to have you as part of our program. Ernie Collins is coordinating the RE program, but has lots of parent involvement – so come and join us.

We realize we need to welcome back those who were not comfortable coming in past years. This is a brand new program, and new excitement. Come join us. Pre-registration is happening NOW.

We welcome Luke Knott to our parish this weekend. Luke is a seminarian, studying for the priesthood for the Diocese of Kansas City-St. Joseph and he will speaking on behalf of 'Tomorrow's Priests', a collection taken up every year to help support the cost of educating our young men for the priesthood. A basket is in the Gathering Space and we thank you in advance for your generosity.

May you and your families know the care of God's Love, as we continue our journey through the Easter season and prepare for the celebrations of the Ascension and Pentecost, which are coming soon.

Blessings and Peace,

Fr. Mike

## “Meet Life” Baby Bottle Campaign Donate Now Through Father’s Day

The "Meet Life" Baby Bottle Campaign, sponsored by the Knights of Columbus and the Respect Life Ministry is raising funds to support the Liberty Women's Clinic and the Knight's national ultrasound project that funds the purchase of ultrasound machines for pro-life pregnancy centers.

The Baby Bottle Campaign will run through June 19, Father's Day. Your filled baby bottles can be dropped off in the designated place in the Gathering Space before or after every weekend Mass or dropped off in the Parish Office.

Donations to this campaign can also be made on-line using the QR Code below or on the St. James website.

### An Apology

I want to apologize to anyone whose mom was left off the Mother's Day scroll. I found names that were not passed to Gretchen, but the scroll was already printed. In love and thanksgiving for ALL the wonderful women in our lives, we remember and honor them. Thank you for supporting our Prayer Garden Ministry.

A huge THANK YOU to Gretchen Lathrop and her team who make this such a beautiful memorial and honoring of our moms.

Blessings, Katie Klassen

## Someone is Watching and Wondering

One of my favorite places to visit is Yellowstone National Park, and like so many people I am fascinated by all the thermal-features in this magnificent place. Two of

my favorites are the Grand Prismatic (above) and Morning Glory pools (right). Gazing at these pools I am struck by their beauty, the diversity of life within them (evidenced by the variety of color), and the amazing gift of our natural world. These pools also remind me that creation is ongoing, ever evolving, and continually presenting us with new places to discover, explore, and preserve.

A well know environmentalist, John Muir, wrote: “One learns that the world, though made, is yet being made; that this is still the morning of creation; that mountains long conceived are now being born, channels traced for coming rivers, basins hollowed for lakes.” If you find this statement difficult to believe, I challenge you to spend time in nature, explore the geology of our country, search the biomes for plants and animals, and take a look at our natural history. If such things seem too remote from your experience, look out your window and watch the changes that occur with each season; new life emerging in spring, flowers ablaze with color in the summer; trees ripe with fruit in the fall even as the leaves change color; new buds and shoots appearing in winter. If plants aren't your thing, watch the variety of birds, not only those that migrate through our region, but also those that stay year round, changing colors with the changing seasons such as the tiny, beautiful goldfinch. Perhaps a walk is part of your daily routine, or a weekend drive in the country. If so, watch the change in streams and rivers following a heavy rain, how the rushing water carves and alters the banks. God keeps presenting new vistas, filled with beauty and diversity.

For me being in the natural world is always a time of quiet meditation and prayer. Yet, I am also challenged to never become complaisant. John Muir also wrote: “The world we are told, was made especially for man – a presumption not supported by the facts. Why should man [woman] value himself [herself] as more than a small part of the one great unit [a small part] of creation?” Made in the image and likeness of God is truly a gift, but one with responsibility. Of all the natural world, as a sentient creature able to think and reason, we have the responsibility to protect and care for God's beautiful gift of creation. We are beholders and caretakers of the sacredness of creation.

Happy 5th Sunday of Easter,

Your Sister in Christ Jesus, *Sandy Gagnon*

## Tomorrow's Priests Collection This Weekend

The Diocese of Kansas City-St. Joseph asks you to prayerfully consider donating to the

Tomorrow's Priests Collection this weekend.

This collection offsets expenses for our men in formation for the priesthood.

Seminarian education is among the largest expenses of our diocese, but also one of the greatest investments we can make for our future. With tuition, room, board and other expenses, the cost of educating a single seminarian is about \$45,000 per year.

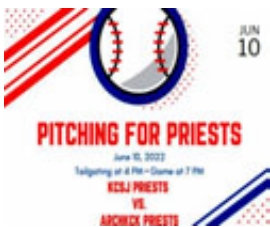

A mailer with donation envelope has been sent to all registered parishioners in the diocese, but you can also contribute via the 2nd collection this weekend (an envelope is in your packet).

Or donate at:

[kcpriest.org/tomorrows-priest-collection](http://kcpriest.org/tomorrows-priest-collection)

In addition to financial support, please pray that Our Lord will continue to increase the number of men from our Diocese being called to the priesthood.

## Religious Education

### Religious Education sessions will begin in September of 2022

The sessions will be offered weekly on Sunday mornings beginning at 9:10 and ending at 10:20am for students in Kindergarten through Fifth grade. We will utilize our parish school classrooms for learning activities. There will be *NO* Wednesday sessions offered at this time. Our team felt this was the best scheduling option, alleviating car congestion during drop-off and pick up, as well as safety issues. Additionally, we have found children are most alert during the morning hours.

### Middle School (6-8) and Confirmation sacramental preparation will also begin in September of 2022

The programs will be offered bi-weekly on Sundays. The parish hall will be used for preparation and learning opportunities. Both sessions will meet on opposite Sundays from 6:00 - 7:30pm. Theresa Brier, a long time parishioner and school educator and MS team has led our early teens in faith formation over the past two years.

#### Coordinators:

Stephanie Ladenthin will coordinate the Kindergarten through Fifth grade religious education program. She has worked alongside Cecilia Richardson when she was Director of Religious Education. Stephanie is very involved in our parish ministries and looks forward to working with each and everyone of you. She will also be in charge of our summer movies and other activities for all students to build a better connection with all of us. As our parish grows, we must build our community of faith together.

Enrollment for these programs will begin soon. Watch the Bulletin for more information.

*Ernie Collins, Director of Religious Education*
