We, the community of St. James, are a prayerful and Eucharistic people who treasure our Catholic traditions.

We strive to grow in our faith by being good stewards of the gifts God has given us; sharing God's truth with all.

We Welcome Fr Jean-Pierre Tambwe, CSSp At Masses This Weekend

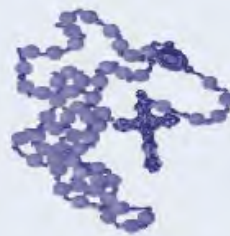

As part of the Annual Missionary Appeal Fr. Jean-Pierre Tambwe, CSSp, will be at Saturday evening and Sunday morning Masses this weekend to speak about the missionary work of the Church and in particular that of the Spiritans (officially Congregation of the Holy Spirit).

The Spiritans are an international community engaged in a wide range of missionary activity in over 60 countries throughout the world. This weekend's missionary, Fr. Jean-Pierre, is a missionary priest from Congo-Kinshasa.

From the Pastor's Pen

The book of Genesis begins with the story of creation. We can imagine our ancient ancestors sitting around a camp fire, pondering the origins of the universe and people. Inspired by the Spirit, they pass on the story of how God created the earth and all that is on the earth.

The man and the woman were the pinnacle of creation, described as "very good." Somehow men and women populated the earth but never losing the call to be the "very good" persons that God created. That goodness is shown by mutual respect and love. We are to hold all human life in high esteem and admiration.

Our Catholic Church family keeps the message of love and respect alive. Each year the month of October is dedicated to this theme. We look around us and see so many examples of abuse and disrespect.

We see the unborn, the most defenseless, being aborted and the remains discarded as trash. We continue to cry out on their behalf. We advocate for children, sometimes neglected, abused, and unwanted.

We cry out on behalf of elderly who have no one to defend them and are sometimes placed in nursing homes, alone and ignored. We advocate for handicapped persons who are sometimes placed in institutions without people to care for them.

We cry out for those living in poverty, those who are refugees, those living in the midst of violence and war. And yes, the environment is God's creation with its many forms of animal and vegetable life. With Pope Francis, we call for all people to be stewards of the earth.

Brothers and sisters, we are all partners in preserving the goodness of God's creation. Use this month of October as a special time to be advocates on behalf of life.

May God bless you for your witness.

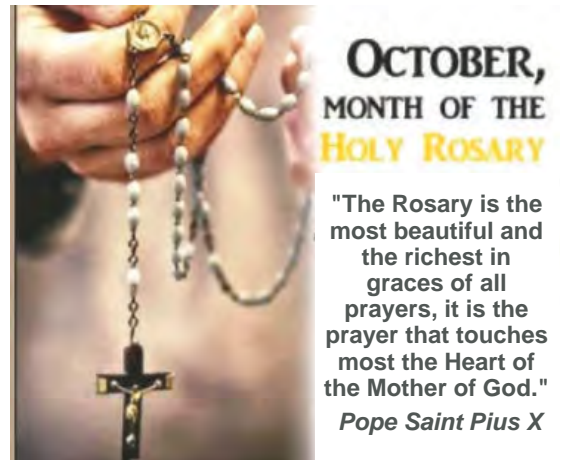

My prayers are with you each day.

Fr. Michael

Someone is Watching and Wondering

In the nearly 30 years that I have accompanied people on their "Faith Journey," there are several common stumbling blocks; one is prayer. Some individuals ask "How do I pray as a Catholic," or state "My prayer life feels empty." Others are looking for methods of prayer (such as centering or contemplative) and still others question why their prayers remain unanswered. Please be tolerant with me as I share a few responses.

First the way **ALL** Catholics pray is through attending and actively participating in the Mass, the most common, communal prayer of the Church. We begin and end the Mass in the name of the Father, Son, and Holy Spirit, therefore the Mass itself is one continuous prayer, with many other prayers embedded in it. For example, prayers seeking forgiveness, intercessory prayer, and the great Eucharistic prayer, and of course our prayer of the Mass ends by sending each of us, who have been nourished as a community through the sacred word and meal, forth into the world to share the truth of Jesus Christ. Go to Mass and you will pray like and with all Catholics throughout the world.

Second, if your prayer life feels empty, maybe you are saying too much and listening too little. I can honestly say that my prayer life feels rich and rewarding when I take the time to simply be with God, to experience God in the beauty and fullness of creation, whether being in nature, watching children playing, or sharing experiences, joy, and sometimes tears with others.

Third, I believe it is important to find a prayer life for which you take ownership. I do not believe it is necessary to copy or strive to pray in any particular, way in which you feel more stressed by the methodology and less aware of your connectedness to God. My prayer seems to change depending on how I feel, physically, mentally and emotionally, what is troubling me, and what I am seeking. Sometimes I pray with music, scripture, a piece of literature, a work of art, or by looking inward and sharing exactly what I feel with God. I find great help in this simple acronym: G.I.F.T. (A *Well Built Faith* by Joe Paprocki).

G - give thanks, **I** - identify needs, **F** - forgive and seek forgiveness, and **T** - think of others.

Finally, if you feel your prayers go unanswered there are two things to consider: 1. are you telling God what needs to happen or are you seeking God's will to help you through whatever is happening in your life, and 2. are you patient. Do you expect immediate results or are you willing to live within God's time. I confess I am not a patient person, but I am learning to trust God, knowing God loves me unconditionally and is always hears me.

Prayer's and blessings,
Your Sister in Christ, *Sandy Gagnon*

St. James Pastoral Council Meeting
Monday, October 14th at 7:00 p.m.
AV Conference Room

Registered St. James parishioners are invited to attend.

Please contact Chair, Joan Peluso, no later than October 10th if you would like to attend.

As Catholic Christians, respect for ALL LIFE is a great part of our faith. Each October, Catholics nationwide celebrate Respect Life Month.

Respect for life is all encompassing. One of the misconceptions people have about respecting life is that it only applies to the unborn. Certainly, much of the work of Respect Life groups is devoted to protecting the most innocent lives from abortion, but respect for life doesn't stop with them.

As Pope Francis reminds us, "the innocent victim of abortion, children who die of hunger or from bombings, immigrants who drown in the search for a better tomorrow, the elderly or the sick who are considered a burden, the victims of terrorism, wars, violence and drug trafficking, the environment devastated by man's predatory relationship with nature are all issues. At stake in all of this is the gift of God, of which we are noble stewards but not masters."

The Respect Life Ministry shares this conviction voiced by Saint John Paul II, "A great prayer for life is urgently needed, a prayer which will rise up throughout the world" and knows that leading and promoting prayer for life is our most important task. An anti-life culture can only be defeated by the God of Life.

What can we do in our daily life to respect life?

- Become informed about the issues and share your knowledge with relatives, friends, classmates, teammates and neighbors. Visit www.usccb.org/ or www.humanlifeaction.org for federal and state voting records of your elected representatives.
- Fast one day a month in reparation for sins against human life.
- Commit to one hour a week in prayer for the sanctity of human life at Eucharistic Adoration. The Blessed Sacrament is exposed in the Chapel every Thursday from 9:00am – 9:00pm.
- Join the St. James Respect Life Ministry that meets the second Monday of each month at 6:30pm in the Parish Hall (lower level of the church)

Office of the Bishop

Dear Brothers and Sisters in Christ,

Missouri has strong pro-life laws protecting preborn children from harm or death, and women and families from the deeply emotional, spiritual, and physical wounds of abortion. On November 5, you will be asked to vote on Amendment 3 which aims to strip away these protections and enshrine an absolute right to abortion in our Missouri state constitution.

There are many alarming consequences to this extreme amendment, including:

- **abortions for any reason before viability** (usually in the sixth month of pregnancy) **even when a preborn child is old enough to feel pain**, resulting in extremely late-term surgical abortions;
- **no parental notification or consent** for any reproductive healthcare decisions;
- **new health risks for women** - any “health care professional” could legally perform an abortion including a nurse, physician assistant, dental hygienist, or pharmacist;
- **no civil or criminal recourse** against negligence resulting in harm or death of a mother receiving reproductive healthcare or a wanted child during delivery;
- an open door to **force taxpayer funding of abortion**, as is now happening in Michigan.

The full amendment can be read here: sos.mo.gov/CMSImages/Elections/Petitions/2024-086.pdf

So, what can you do?

Pray

I believe the magnitude and gravity of the current moment requires a fervent spiritual response. For, to be honest, the present odds appear to favor the culture of death. Go to Mass and pray that God will save Missouri; pray the Rosary daily through November 5; invoke the intercession of St. Joseph who protected the infant Christ against the wickedness of Herod, and if you're able, practice fasting on Fridays.

Vote

I am urging you to **vote “no” on Amendment 3** so that women and preborn babies continue to be protected in Missouri from the trauma of abortion and that Missourians will not surrender their rights. Share the facts about this alarming amendment with others.

Safeguard Them Both

Join these ministries and programs to redouble efforts to give women control and real choices.

- If you have lost a child to abortion, come for mercy and healing. hopeafterabortion.org
- Share your maternal experience by mentoring a young mother through Gabriel Project. gabrielprojectkc.org
- Share your time, talent and treasure with a pregnancy resource center. Find one near you at lifeandjusticekcsj.org.
- Support Catholic Charities' Mom's Empowerment Program. Learn more at catholiccharities-kcsj.org.

As Catholics we must renew and add to the ways we support women and families experiencing an unexpected pregnancy or difficult diagnosis and their preborn babies through supportive care and love. This is the best response to what Pope Francis has called the “throwaway culture.” I hope we can all respond to this gathering storm with prayer and action, aided by the help of Our Lady and the grace of Our Lord.

Sincerely yours in Christ,

+ James V. Johnston, Jr.

Rosary For Healing

Thursdays at 6:30pm

Did you know that there are many in our parish who are struggling with serious health issues? Some are on our prayer chain. And then, there are others we don't know about - they prefer to keep their health issues private.

We invite all to become "prayer warriors" and join us every Thursday at 6:30pm in the church as we pray the rosary for all those who are in need of healing prayer.

The prayer offered in faith will make the sick person well. James 5:15
