PASTOR'S PEN - FR. MICHAEL VOLKMER

In the gospel of Luke, we read the account about the Archangel Gabriel appearing to the Blessed Virgin Mary saying, "You will conceive in your womb and bear a son, and you shall name him Jesus." Mary's response was: "May it be done to me according to your word." Even though the circumstances of the pregnancy were so unbelievable, Mary believed and said, "Yes." She embraced and cherished the child in her womb. She did not consider the new life in her as a "fetus," a potential life, but rather as a child, a son.

In beginning October as "Respect Life Month," we stand with the Blessed Virgin Mary. We affirm and believe that Jesus in the womb of Mary was a child. So, we affirm and believe that every human conception is a child. In faith, we profess that all human life has value, worth, and dignity, including the child in the womb.

We should not be cowardly or silent in our stating this belief. We should not shrink from proclaiming and defending that belief. No matter what an opponent may say, that opponent cannot defeat the truth. All life, including the life of the unborn is sacred to the Lord, our God.

Those with severe handicaps are sacred to God. Immigrants are sacred to God. Those with severe illnesses are sacred to God. Those on their deathbed are sacred to God. Prisoners are sacred to God. The poor are sacred to God. People of all races are sacred to God. Yes, even prisoners are sacred to God.

Each of us is sacred to God.

Let's all of us, all of us sacred to God, never cease to proclaim the pro-life, pro-sacred message, no matter how strong the opposition. Respect life, value life, affirm life.

My prayers are with you each day. -Fr. Michael

COME TOGETHER

St. James Liberty Catholic Church

ST. JAMES CATHOLIC CHURCH
RESTORE • RENEW
and **REJOICE**
CAPITAL CAMPAIGN

OUR CHALLENGE — In 2012, parish leaders undertook a comprehensive master planning process to prepare St. James for a growing and vibrant future in Liberty. Together, leaders and parishioners developed a bold, long-term vision to meet the needs of Liberty's only Catholic parish and strengthen our mission for generations to come.

The plan included constructing a new church complex, transforming the former church into St. Gerard Event Space, renovating the Social Hall, and enhancing our School with a new front entrance, improved security, updated offices, and additional storage.

Much of that vision has become a reality. Now, we have the opportunity to complete what we began and carry that vision forward for future generations.

OUR SOLUTION — To meet the future needs of our parish and school, we propose:

Community Spaces

- Renovating St. Gerard Event Space (former sanctuary)
- Renovating Social Hall, Kitchen, Restrooms, and Narthex

TOTAL \$6,100,000

Education Spaces

- Redesigning the School front entry to enhance safety and security
- School office updates and renovations

TOTAL \$1,900,000

Contingency - For inflation, diocesan tax, interest, and change orders \$1,000,000

GRAND TOTAL \$9,000,000

FINANCIAL PLAN

- Current St. James Savings for Projects \$3,000,000
- Capital Campaign over 3 Years \$4,000,000 to \$9,000,000
- Short term Loan \$As Needed

GRAND TOTAL \$9,000,000

OUR CALL TO ACTION — For nearly 190 years, God has worked through the people of St. James, accomplishing great things through our faith and generosity.

Our work continues! Together, we can build upon this legacy and prepare St. James for generations to come.

May God, who has begun this good work in us, bring it to completion!

FEAST OF THE MOST HOLY ROSARY CELEBRATION

**OCTOBER 7, 6:30 PM TO 7:30 PM
ST. JAMES SANCTUARY**

During this celebration, all parishioners are invited to join in prayer as ministry leaders circle our worship area to lead in the rosary.

The celebration of this day invites all to meditate upon the mysteries of Christ, following the example of the Blessed Virgin Mary who was so singularly associated with the incarnation, passion and glorious resurrection of the Son of God.

The importance of the Rosary as a way of prayer has been a constant message in the addresses and writings of all of our recent popes. In the words of Pope Benedict XVI, "the rosary within itself contains the healing power of the Most Holy Name of Jesus invoked in faith and love at the center of each Hail Mary."

PRAY AND TAKE ACTION

to Protect Women and Babies from Abortion Pills

The USCCB Committee on Pro-Life Activities is inviting Catholics to join a focused effort of prayer and action to stop the spread of abortion pills by invoking the intercession of St. Joseph, Defender of Life. Join us in prayer from now until the end of October!

MEDITATING MOMENTS

SANDY GAGNON

I have been very blessed to travel, visiting each of our fifty states in this country I call home as well as twenty foreign lands on three of the seven continents.

I have seen great grasslands, deserts, forests, mountains, oceans, lakes and rivers, each embracing the beauty and wonder of God's creation. For me, however, there is no place like home. I was born and raised in KC, MO and after a few years living in Germany, I returned to my extended family in Missouri. Although I complain about the hot-humid summers, I truly enjoy each of our four seasons in this order: fall, spring, winter, and summer. To me the seasons represent my life, ever changing, full of God's grace, forgiveness, and new life.

Once again I find myself in a season of change about to embark on a new life full of new direction. As many know I have written a column for the St. James bulletin for many years; first as Someone is Watching and Wondering and most recently as Meditating Moments. I hope my writing has inspired you to think about your faith in many different ways. Perhaps you agreed with some of my words, were challenged, or disagreed completely. I have received cards, letters, emails, text messages, and verbal comments, some of which inspired me to write yet another column. Now, however, the time has come for me to slow down, and explore new avenues of creativity. I don't know in what direction I am being called, but I know my journey of faith will continue embraced by the love of Jesus, His words and companionship. I also recognize the possible pitfalls of stagnation and anxiously await the new avenues for my fellow St. James Parishioners. I will continue to write Meditating Moments for our bulletin, but as a monthly feature instead of weekly. This writing represents my first installment to be featured the first weekend of each month.

I have enjoyed writing for you and appreciate your many comments. I thank you for your readership and hope I can continue to inspire, challenge, and share your faith journey. I feel great honor and privilege to have been part of your journey and ask for your prayers as I begin a new chapter of my life. Know I am not saying good-bye, only slowing down. I feel blessed to call our St. James community my home where I have experienced great love and compassion. I know many of you through close friendship. You have been my help journeying with Christ. I feel confident addressing you as my sister or brother in Christ.

Your sister in Christ, Sandy Landuyt Gagnon

LIVING THE SACRED HEART

LIVING THE SACRED HEART AT HOME
TIPS FOR HOME AND FAMILY LIFE

Honoring the Sacred Heart of Jesus can be simple - recognize Jesus' love and mercy, and let that love shape family life.

Families can honor the Sacred Heart at home by:

- **Praying together** - Begin or end the day with: "Sacred Heart of Jesus, I place my trust in You."
- **Displaying an image** - Place a Sacred Heart picture or statue in a special place as a reminder of Jesus' love.
- **Practicing kindness and forgiveness** - Forgive, serve, encourage, and show patience. Be Jesus' heart in your home.
- **Attending Sunday Mass** - Make Mass a priority and encourage your children to participate fully and reverently.
- **Praying for others** - Pray for family, friends, those who are sick or struggling, and anyone who needs God's love.
- **Making a small sacrifice** - Give something up or do something extra for someone else as an offering of love to Jesus.
- **Celebrating First Fridays** - When possible, attend Mass and receive Holy Communion in honor of the Sacred Heart.
- **Talking about Jesus' love** - At dinner or bedtime, ask, "How did we show Jesus' love today?" or "Where did we see God's love today?"

Above all, remind your children that honoring the Sacred Heart is something we live: choosing patience over anger, forgiveness over resentment, kindness over selfishness, and service over putting ourselves first.
